

Crescent Hotel

Going north on 23, turn left onto Hillside Avenue, stay left on Hillside Ave., stay left for Bridge Street or stay on Hillside and go left onto Spring Street. Either way turn right onto Howell Ave and right again onto Prospect Ave. go by Crescent Hotel. Now, depending on where you came from and where you are going:

- a. Turn around and go back and follow Prospect as a main route southwest-ish until you get to 62 and turn right to go to Thorncrowne. Prospect becomes several other names and weaves around but treat it as a main road and follow it and you'll get there.
- b. Or, turn around and reverse course and go back the way you came. Turn left onto 23 to head back to Branson
